

Free Land Application

Rawlins County Economic Development (RCED) and the Rawlins County Kansas communities of Atwood, Herndon and McDonald are excited to offer free residential housing lots located in our friendly communities. To be eligible for a free lot you first must complete the following application for review and return it along with a copy of a current valid driver's license to rced@atwoodtv.net or RCED 112 S 4th St Atwood, KS 67730. After review you may be required to visit in person or by phone with RCED and will be required to sign a Free Land Agreement.

RCED recommends that each free land applicant visits Rawlins County to get a feel for the community and meet with officials before signing a Free Land Agreement, but is not required. RCED has available freelandTour DVD's and the ability to communicate by video phone and/or electronically with each applicant if a trip does not work into your schedule or budget. Please answer the following questions to the best of your ability.
